

GOVERNMENT OF NCT OF DELHI
INDUSTRIES DEPARTMENT
UDYOG SADAN, 419 PATPARGANJ INDUSTRIAL ESTATES, DELHI-110092

F.No. CI/DCI/Policy/552/2023/ 1610

Dated : 26.12.2023

PUBLIC NOTICE

Industries Department, Government of NCT of Delhi proposes to formulate Delhi's Electronic System Design, Manufacturing & Refurbishment (ESDMR) Policy 2022-27. The objective of the policy is to establish Delhi as the preferred destination for electronics design, manufacturing, repair and refurbishment by creating a robust local ecosystem through favorable policy incentives, offering of 'plug and play' infrastructure and skilled manpower. This will help meet the following added objectives:

- (a) Create new direct and indirect employment opportunities within the state.
- (b) Establish Delhi as the preferred destinations within the country for high value-added electronics design, manufacturing, repair and refurbishment thereby boosting Delhi's economy.

Draft ESDMR Policy 2022-27 has been prepared and uploaded on the website/EODB portal of Industries Department, GNCTD for information to the General public and stakeholder departments of NCT of Delhi/ Government of India.

Suggestions/inputs on Draft ESDMR policy 2022-27 are invited on Single Window portal www.sws.delhi.gov.in and website of the Industries Department www.industries.delhi.gov.in upto 31st January 2024 at 05.00 PM. For any technical assistance, contact 011-44467923 or send email to deshrajsingh@delhi.gov.in.
